COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

VIA eFILE Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant gratefully acknowledges the allowance by the Examiner of claims 2-5, 7-9, 14-16, and 20-39. Applicant respectfully submits that the claimed invention as set forth in each of the independent claims and the dependent claims must be read as a whole, and not as a single feature or subcombination of features which represent less than the entirety of the claimed invention as a whole. While a particular feature or subcombination of features referred to by the Examiner in the Statement of Reasons for Allowance may represent a basis for distinguishing the claimed invention over the prior art, Applicant further submits that this may not necessarily be the *sole* ground for distinguishing the claimed invention over the prior art of record.

Accordingly, the Examiner's statement should, in Applicant's view, not be read as constituting or meaning that the invention can or should be reduced to a single "feature" of the invention or to a subcombination of features that is less than the entire invention claimed as a whole, nor that the single feature referenced by the Examiner or subcombination of features referenced by the Examiner in the Statement of Reasons for Allowance is the only or sole grounds for distinguishing the invention over the prior art of record, or that Applicant necessarily agrees with any characterization of the prior art set forth in the Statement of Reasons for Allowance.

Dated this 29th day of June, 2011

Respectfully submitted,

/Paul N. Taylor, Reg.# 57271/
